Proudly Presents

## An Evening With Dave Perry

Tuesday March 18<sup>th</sup> 7-10PM

Stony Point Conference Center, Stony Point NY

*Dave Perry* entertains and educates us on two topics:  
*The Greatest Comeback & Tactics in Crowds!*

Always a popular speaker for the HRYRA, Dave will be starting off with an excerpt of his presentation on the 34<sup>th</sup> America's Cup, featuring what is being called the greatest comeback in sports.

Dave was the rules advisor for *Artemis Racing*, the Swedish Challenger of Record for the 2013 America's Cup. In a nutshell, and with video and photos, Dave will bring us up to speed on the story of the 34th America's Cup, featuring *Oracle Team USA's* miraculous comeback from 8-1 down to beat *Emirates Team New Zealand* 9-8. He will discuss how OTUSA did it, how ETNZ built an 8-1 lead, and he'll take us behind the scenes on many of the controversial issues in this Cup, including the OTUSA cheating scandal, the rules controversy that led to foiling, and the tragic passing of Andrew "Bart" Simpson, a beloved member of the *Artemis Racing* team. Finally, Dave will bring us up to speed on what is happening for the 35th America's Cup.

Dave will then present his popular *Tactics in Crowds*, which is an advanced look at tactical positioning at the start and the leeward mark/gate, with an analysis of the applicable rules and decision making process in each. Dave will then show spectacular video shots illustrating his points. Dave's presentations are always humorous, engaging, and loaded with tips for skippers and crews of all levels and types of boats. Dave will also have copies of his three books available for sale and signing.

If you haven't seen Dave in action, he is a very engaging and entertaining speaker and first class teacher.

**HRYRA members \$25 before March 11 \$30 after March 11**  
**Non-HRYRA members \$30 before March 11 \$35 After March 11**
